PRECAUTIONARY STATEMENT

Hazards to Humans & Domestic Animals

CAUTION: Wash thoroughly with soap & water after handling.

Environmental Hazards: For terrestrial uses, do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: This product may be used to repel Canada geese from golf courses and other turf areas. This product must be applied using appropriate spray equipment, such as a pump sprayer or a power-blast sprayer. Do not apply when grass is wet or rain is expected.

DILUTION DIRECTIONS: Shake or stir Rejex-it Migrate™ container well prior to diluting. This product must be applied using appropriate spray equipment. Mix product outside or in ventilated area.

Area type	Migrate™/Water Ratio	Example
Small area (i.e., application by hand or backpack sprayer)	1:12	8 oz. Migrate™ + 96 oz. Water = 104 oz. spray mixture
Large area (i.e., application by boom sprayer)	1:20	2.5 gal. Migrate™ + 50 gal. Water = 52.5 gal. spray mixture

APPLICATION DIRECTIONS:

Area type	Spray mixture/area
Small area (i.e., application by hand or backpack sprayer)	104 oz. spray mixture (0.07 lbs. a.i.) / 1000 sq. ft. of turf
Large area (i.e., application by boom sprayer)	52.5 gal. spray mixture (3.07 lbs. a.i.) / acre of turf

Spray evenly on area to be protected to provide thorough coverage and allow material to dry before permitting human activity on the treated area. Repeat application in 4 days or as warranted by Canada goose activity. Do not mow treated area for several days after application.

STORAGE & Disposal

STORAGE: Store only in original container, in a dry place inaccessible to children, pets and domestic animals. Store apart from pesticides, fertilizers, food or feed that may cause cross-contamination from odor. Store above 32 F. Keep container closed when not in use.

REPELLENT DISPOSAL: Product or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse. Then offer for recycling or reconditioning, or puncture and dispose in a sanitary landfill or by other procedures approved by Federal, State and local authorities.)
